Notes:

1. The verification of conformity is based on an evaluation of a sample of the above-mentioned product. The verification does not imply assessment of the production and does not permit the use of Lab's logo.

2. The manufacturer shall draw up a written EU declaration of conformity for each radio equipment type and keep it at the disposal of the national authorities for 10 years after the radio equipment has been placed on the market. The EU declaration of conformity shall identify the radio equipment type for which it has been drawn up. A copy of the EU declaration of conformity shall be made available to the relevant authorities upon request.
